ENDORSES RENARD JOHNSON

LAW ENFORCEMENT FEELS STRONGLY ABOUT TWO CANDIDATES FOR MAYOR

HERE IS WHY WE ENDORSED RENARD JOHNSON

RENARD PUTS OTHERS BEFORE HIMSELF

Renard Johnson grew up here and founded one of El Paso's fastest-growing companies. He was President of the El Paso Hispanic Chamber and The Hospitals of Providence. Renard also served on the El Paso Boys and Girls Club board. Renard will donate his entire mayoral salary to charity.

TRUSTED AT THE HIGHEST LEVELS

Because of his spotless reputation, Renard was chosen to Chair the prestigious Federal Reserve Bank, El Paso.

CONCERNED ABOUT CRIME

Renard is an El Paso FBI Citizens Academy graduate.

HERE IS WHY WE OPPOSE BRIAN KENNEDY

ANTI-PUBLIC SAFETY

Kennedy is the most anti-police candidate for mayor. Local television caught him on an open mic attacking local police and firefighters with disgusting language.

ETHICS PROBLEMS

Kennedy had four ethics complaints filed against him in just his first year on the council.

BROKE TAX CUT PROMISE

He promised lower taxes, but taxes have not gone down. He voted for the highest property tax rate of ALL major Texas cities.

SPENT TAX DOLLARS ON HIMSELF

As CEO of the taxpayer-funded El Paso Sports Commission, Kennedy raised his pay to over \$350,000 and awarded his own company a million-dollar contract. He took home millions in taxpayer-funded salary, and an audit found the Commission misspent \$149,000.
