SUBJECT:

An Ordinance of the City Council of the City of El Paso, Texas, amending Ordinance No. 018849 concerning Tax Increment Reinvestment Zone Number Thirteen, City of El Paso, Texas, established pursuant to Chapter 311 of the Texas Tax Code, to amend the boundaries, extend the term, and increase the City participation rate of Tax Increment Reinvestment Zone Number Thirteen, City of El Paso, Texas.

BACKGROUND/DISCUSSION:

On October 2, 2018, the City Council approved the creation of Tax Increment Reinvestment Zone Number Thirteen (the “Zone”) in northeast El Paso. The Zone encompasses approximately 6,879 acres and was created to fund public improvements that alleviate safety, access and connectivity issues and spur balanced contiguous residential and commercial development in Northeast El Paso that will ultimately yield additional tax revenue to all taxing jurisdictions while also supporting existing and future retail, entertainment and public transit development, including redevelopment of the former Cohen Stadium and Northgate Mall sites.

The proposed amendment to the Zone facilitates the development of 2,313 acres of vacant and undeveloped land within the Zone by: 1) extending the term of the Zone to 2070; 2) increasing the City’s contribution to the tax increment fund; and 3) revising the boundaries of the zone to pull the western-most boundary of the Zone east to Martin Luther King Jr. Blvd.

The anticipated development will include a master planned community anticipated to allow for up to 9,500 residential units, 2,500 of which may be multi-family, and 300 acres of commercial/mixed-use development. The development is expected to occur over a period of 33 years and contribute nearly \$2 billion in value added to the City’s existing tax base once complete.

PRIOR COUNCIL ACTION:

- October 2, 2018: Tax Increment Reinvestment Zone No. 13 was created;
- October 30, 2018: Project Plan and Financing Plan for TIRZ No. 13 was approved

AMOUNT AND SOURCE OF FUNDING:

Incremental property tax values derived from the Tax Increment Zone No. 13 will be used to fund project costs identified in the Project Plan and Financing Plan, as adopted.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF EL PASO, TEXAS, AMENDING ORDINANCE NO. 018849 CONCERNING TAX INCREMENT REINVESTMENT ZONE NUMBER THIRTEEN, CITY OF EL PASO, TEXAS, ESTABLISHED PURSUANT TO CHAPTER 311 OF THE TEXAS TAX CODE, TO AMEND THE BOUNDARIES, EXTEND THE TERM, AND INCREASE THE CITY PARTICIPATION RATE OF TAX INCREMENT REINVESTMENT ZONE NUMBER THIRTEEN, CITY OF EL PASO, TEXAS.

WHEREAS, the City of El Paso, Texas (the “City”), pursuant to Chapter 311 of the Texas Tax Code, as amended (the “Act”), may designate a geographic area within the City as a tax increment reinvestment zone if the area satisfies the requirements of the Act; and

WHEREAS, the Act provides that the governing body of a municipality by ordinance may designate a noncontiguous geographic area that is in the corporate limits of the municipality to be a reinvestment zone if the governing body determines that development or redevelopment would not occur solely through private investment in the reasonably foreseeable future; and

WHEREAS, on October 2, 2018, the City Council of the City of El Paso, Texas, pursuant to Chapter 311 of the Texas Tax Code, approved Ordinance No. 018849, designating a noncontiguous geographic area within the City as a Reinvestment Zone Number Thirteen, City of El Paso, Texas (the “Zone”); and

WHEREAS, Section 311.011(e) of the Texas Tax Code, in pertinent part provides, “[I]f an amendment reduces or increases the geographic area of the zone, increases the amount of bonded indebtedness to be incurred, increases or decreases the percentage of a tax increment to be contributed by a taxing unit, increases the total estimated project costs, or designates additional property in the zone to be acquired by the municipality or county, the approval must be by ordinance or order, as applicable, adopted after a public hearing that satisfies the procedural requirements of Sections 311.003(c) and (d);” and

WHEREAS, pursuant to and as required by the Act, the City has prepared an *Amended Preliminary Reinvestment Zone Project Plan and Financing Plan for Reinvestment Zone Number Thirteen, City of El Paso*, attached as *Exhibit “C”* (hereinafter referred to as the “Amended Preliminary Project and Finance Plan”) for a proposed tax increment reinvestment zone containing the real property within the Zone; and

WHEREAS, notice of the public hearing on the amendment of the proposed zone was published in a newspaper having general circulation in the City on March 9, 2020, which date is before the seventh (7th) day before the public hearing held on March 17, 2020; and

WHEREAS, at the public hearing on March 17, 2020, interested persons were allowed to speak for or against the amendment of the Zone, the boundaries of the Zone, and the concept of tax increment financing, and owners of property in the proposed Zone were given a reasonable opportunity to protest the inclusion of their property in the Zone; the public hearing was held in full accordance with Section 311.003(c) of the Act; and

WHEREAS, evidence was received and presented at the public hearing on March 17, 2020, and in favor of the creation of the Zone; and

WHEREAS, after all comments and evidence, both written and oral, were received by the City Council, the public hearing was closed on March 17, 2020; and

WHEREAS, the City has taken all actions required to amend the Zone including, but not limited to, all actions required by the home-rule Charter of the City, the Act, the Texas Open Meetings Act (defined herein), and all other laws applicable to the creation of the Zone; and

WHEREAS, the percentage of the property in the proposed zone, excluding property that is public owned, that is used for residential purposes is less than thirty percent; and

WHEREAS, an Amended Preliminary Project and Finance plan has been prepared for the proposed amended reinvestment zone.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF EL PASO, TEXAS, THAT:

SECTION 1. RECITALS INCORPORATED.

The facts and recitations contained in the preamble of this Ordinance are hereby found and declared to be true and correct.

SECTION 2. FINDINGS.

That the City Council, after conducting the above described hearing and having heard the evidence and testimony presented at the hearing, has made the following findings and determined based on the evidence and testimony presented to it:

- (a) That the public hearing on the amendment of the reinvestment zone has been properly called, held, and conducted and that notice of such hearing has been published as required by law; and
- (b) That the amendment of the reinvestment zone with boundaries as described and depicted in *Exhibits "A" and "B"* will result in benefits to the City, its residents and property owners, in general, and to the property, residents, and property owners in the reinvestment zone; and
- (c) That the amended reinvestment zone, as defined in *Exhibits "A" and "B"*, meets the criteria for the creation of a reinvestment zone set forth in the Act in that:
 1. It is a geographic area located wholly within the City limits of the City; and
 2. That the City Council further finds and declares that the proposed zone meets the criteria and requirements of Section 311.005 of the Texas Tax Code because the proposed zone is

predominantly open and, because of obsolete platting, deterioration of structures or site improvements, or other factors, substantially impair or arrest the sound growth of the City or county.

- (d) That 30 percent or less of the property in the proposed reinvestment zone, excluding property dedicated to public use, is currently used for residential purposes; and
- (e) That the total appraised value of all taxable real property in the proposed reinvestment zone according to the most recent appraisal rolls of the City, together with the total appraised value of taxable real property in all other existing reinvestment zones within the City, according to the most recent appraisal rolls of the City, does not exceed 25 percent of the current total appraised value of taxable real property in the City and in the industrial districts created by the City, if any; and
- (f) That the improvements in the proposed reinvestment zone will significantly enhance the value of all taxable real property in the proposed reinvestment zone and will be of general benefit to the City or county; and
- (g) That the development or redevelopment of the property in the proposed reinvestment zone will not occur solely through private investment in the reasonable foreseeable future.

SECTION 3. TAX INCREMENT BASE AND TAX INCREMENT.

The Tax Increment Base shall continue to consist of the total appraised value of all real property taxable by the City and located in the TIRZ, determined as of January 1, 2018, when the TIRZ was designated, as no new parcels are being added to the Zone with this amendment.

The TIF Fund shall consist of (i) the percentage of the tax increment, as defined by Section 311.012(a), Texas Tax Code, that each taxing unit which levies real property taxes in the Zone, other than the City, has elected to dedicate to the TIF Fund under an agreement with the City authorized by Section 311.013(f), Texas Tax Code, and (ii) seventy-five percent (75%) of the City's available portion of the tax increment, as defined by section 311.012(a), Texas Tax Code, subject to any binding agreement executed at any time by the City that pledges a portion of such tax increment or an amount of other legally available funds whose calculation is based on receipt of any portion of such tax increment.

SECTION 4. DURATION OF THE ZONE.

That the Zone shall remain in effect immediately upon the passage and approval of this Ordinance, consistent with Section 311.004(a)(3) of the Act, and termination of the Zone shall occur upon any of the following: (i) on December 31, 2070; (ii) at an earlier time designated by subsequent ordinance; (iii) at such time, subsequent to the issuance of tax increment bonds, if any, that all project costs, tax increment bonds, notes and other obligations of the Zone, and the interest thereon, have been paid in full, in accordance with Section 311.017 of the Act.

SECTION 5. SEVERABILITY CLAUSE.

Should any section, subsection, sentence, clause or phrase of this Ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, it is expressly provided that any and all remaining portions of this Ordinance shall remain in full force and effect. The City hereby declares that it would have passed this Ordinance, and each section, subsection, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, sentences, clauses and phrases be declared unconstitutional or invalid.

SECTION 6. OPEN MEETINGS.

It is hereby found, determined, and declared that sufficient written notice of the date, hour, place and subject of the meeting of the City Council at which this Ordinance was adopted was posted at a place convenient and readily accessible at all times to the general public at the City Hall of the City for the time required by law preceding its meeting, as required by Chapter 551 of the Texas Government Code, and that this meeting has been open to the public as required by law at all times during which this Ordinance and the subject matter hereof has been discussed, considered and formally acted upon. The City Council further ratifies, approves and confirms such written notice and the contents and posting thereof.

SECTION 7. EFFECTIVE DATE.

This Ordinance shall take effect immediately upon its adoption and publication in accordance with and as provided by law and the City Charter.

PASSED AND APPROVED ON this _____ day of March 2020.

DISCLAIMER

Our conclusions and recommendations are based on current market conditions and the expected performance of the national, and/or local economy and real estate market. Given that economic conditions can change and real estate markets are cyclical, it is critical to monitor the economy and real estate market continuously, and to revisit key project assumptions periodically to ensure that they are still justified.

The future is difficult to predict, particularly given that the economy and housing markets can be cyclical, as well as subject to changing consumer and market psychology. There will usually be differences between projected and actual results because events and circumstances frequently do not occur as expected, and the differences may be material.

El Paso is the largest metro area along the Texas-Mexico border which boasts a best-in-class, business friendly operating environment while also offering a great living experience. The region represents one of the largest manufacturing centers in North America and is recognized as globally competitive. This is largely due to El Paso's unique quality of possessing the largest bilingual and bi-cultural workforce in the Western Hemisphere.

As the sixth-largest city in Texas, El Paso is a top 20% U.S. performing economy and continues to experience positive economic growth by attracting new businesses and helping existing companies to grow. The City's focus is to create new employment opportunities in 21st century industries, maintain a great quality of life, and facilitate business growth at the local and international levels.

Tax Increment Reinvestment Zone #13, City of El Paso

Tax Increment Reinvestment Zone #13 (TIRZ) was created October 2, 2018 by Ordinance No. 018849. The TIRZ was amended March 17, 2020 to amend the western boundary of the north tract, extend the term, and increase the City participation rate.

The goal of the TIRZ is to fund the construction of needed public infrastructure and to encourage private development that will yield additional tax revenue to all local taxing jurisdictions. TIRZ #13 will promote the creation of mixed-use development consisting of residential and commercial development that will serve as a catalyst for Northeast El Paso ensuring contiguous, planned development that complements existing retail, entertainment and public transit development efforts at the former Cohen Stadium site and the former Northgate Mall site, also known as Metro 31.

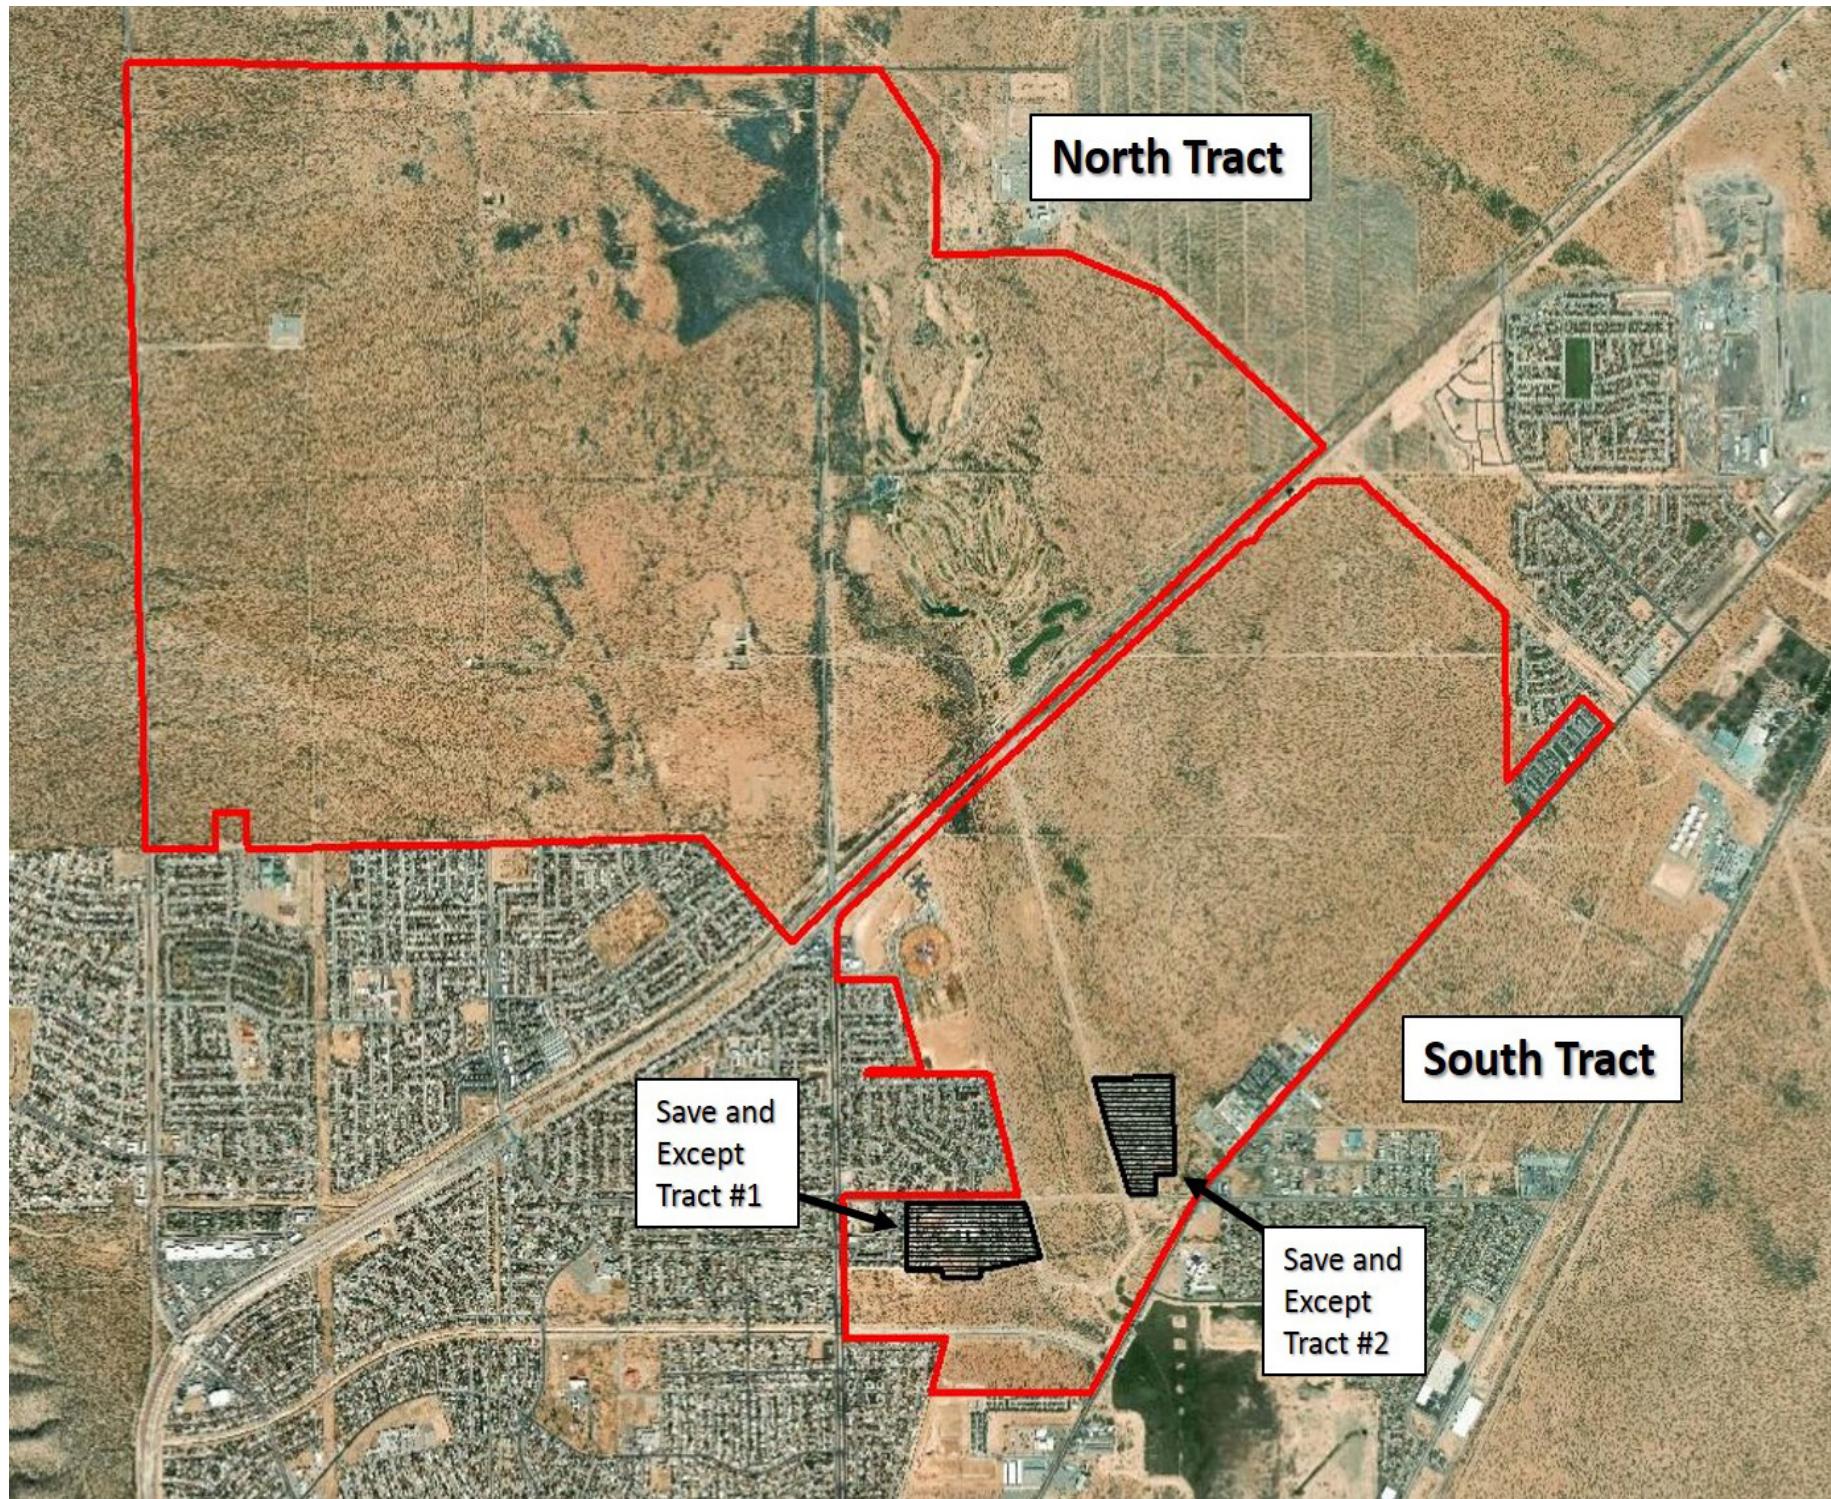

TIRZ #13 will specifically serve as a funding mechanism for the design and construction of a connection for Sean Haggerty from Stonebridge to Nathan Bay Dr. to connect existing isolated communities in Northeast El Paso. The proposed construction includes pedestrian and vehicular access to create a safer and more sustainable community.

It is anticipated that this connection will both mitigate public safety issues and improve access and connectivity between existing residents and services in the area, as well as spur new economic activity to further support a high quality of life for the area.

The unique location of TIRZ #13 near the Franklin Mountain State Park additionally offers an opportunity to provide funding for wayfinding and development and maintenance of new trails and trailheads that better integrate open space amenities with nearby development.

The project and financing plan outlines the funding of \$471,340,426 in public improvements related to streets, water and sewer improvements, parks and open spaces, and economic development grants. The TIRZ can fund these improvements through the contribution of the City's real property tax increment within the Zone.

Boundary Description

El Paso TIRZ #13 consists of two noncontiguous tracts, labeled to the left as the north tract, and the south tract. TIRZ #13 is located in the northern portion of the City of El Paso encompassing approximately 6,639 acres.

The north tract is generally bound by Martin Luther King Boulevard to the west, FM 2637 to the north, and Gateway South Boulevard/Patriot Freeway to the south.

The south tract is generally bound by Dyer Street to the south, and Gateway North Boulevard/Patriot Freeway to the north. Within the South Tract boundaries there are two tracts (labeled to the left) that are not included in the TIRZ boundaries.

Current Conditions

Land Use

The TIRZ contains primarily vacant land. The existing development includes multifamily development, a golf course, and commercial uses including light industrial.

Method of Relocating Persons to be Displaced

It is not anticipated that any persons will be displaced or need to be relocated as result of implementation.

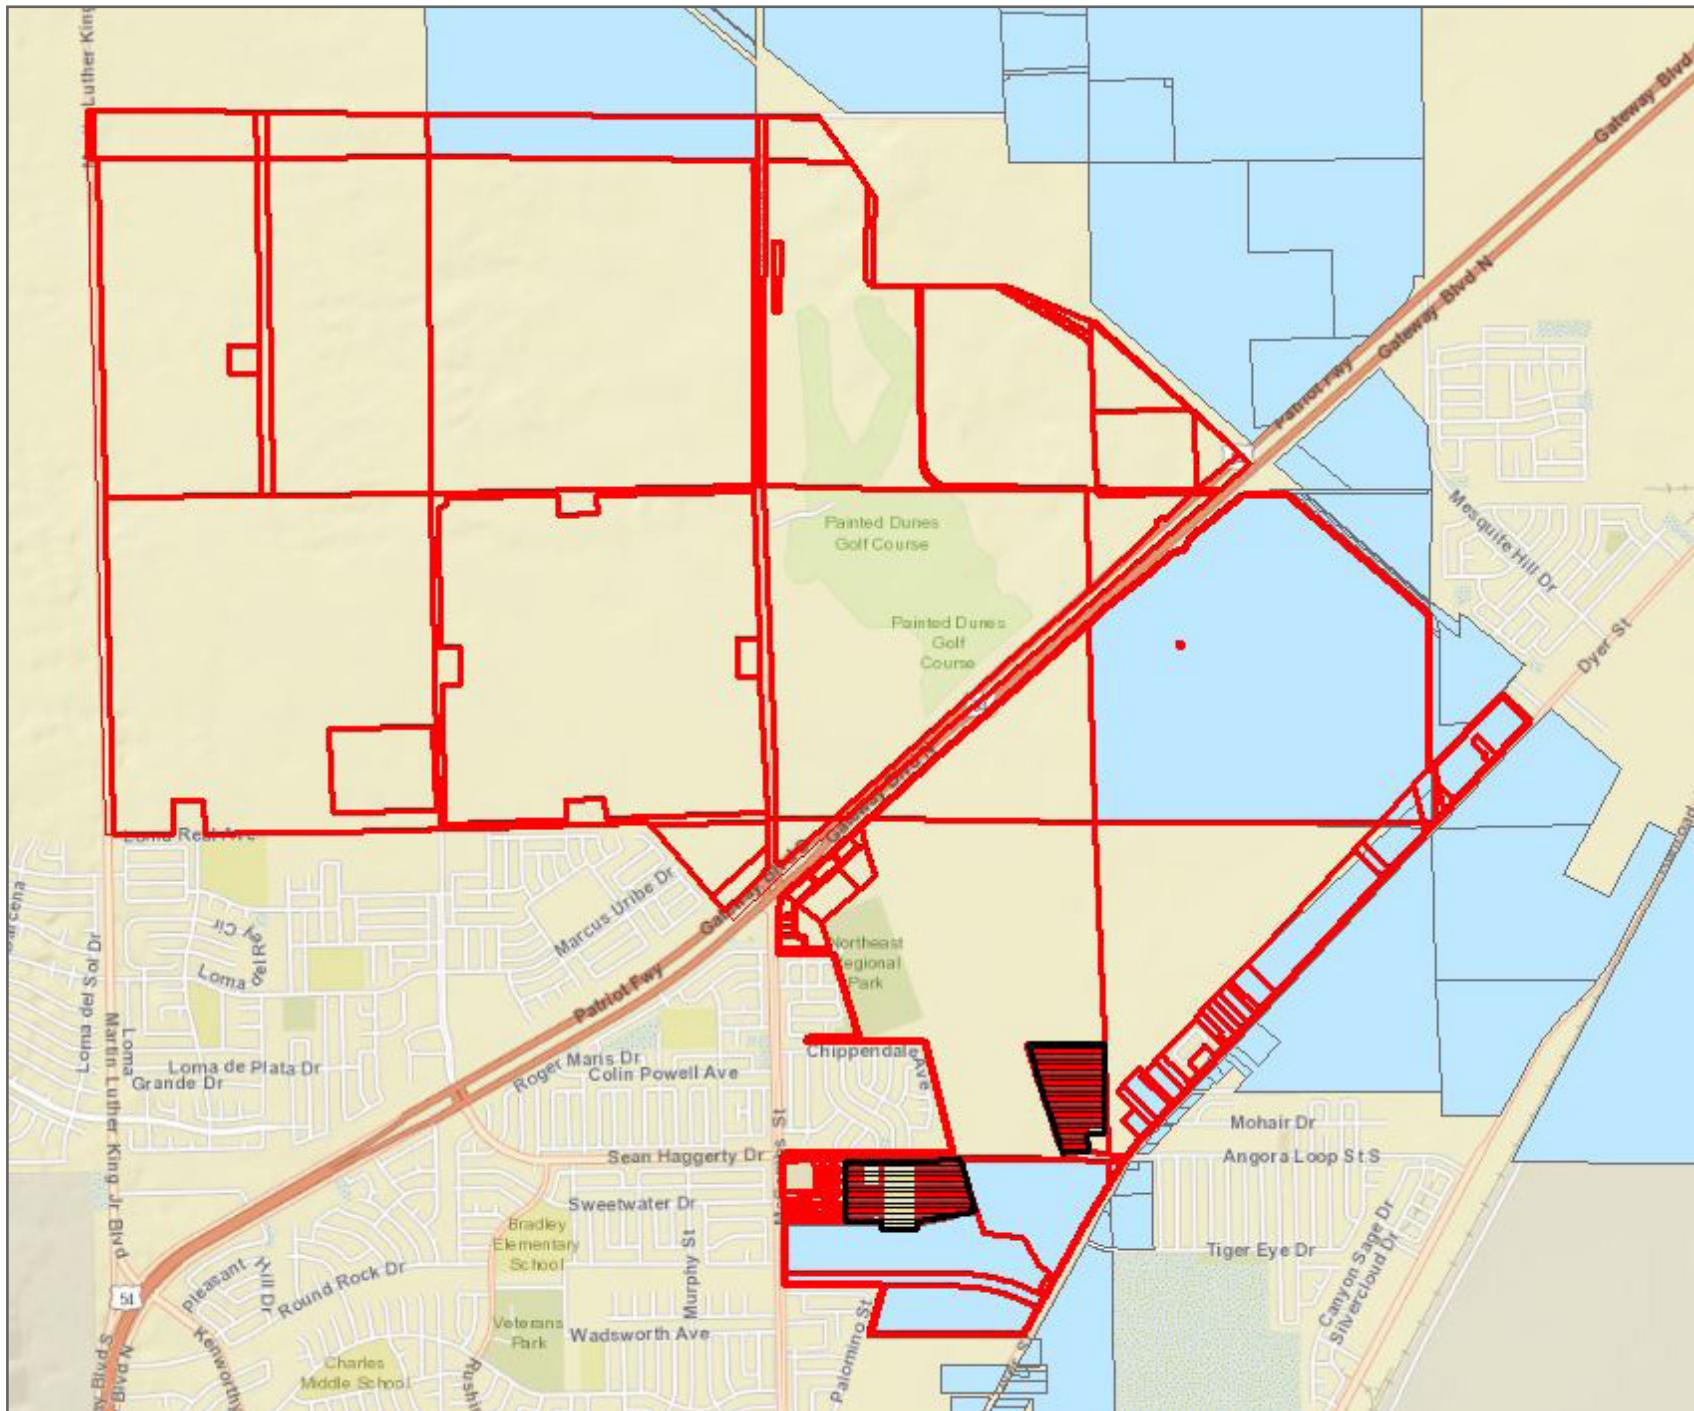

Zoning

The majority of the property within the north tract of the TIRZ is zoned G-MU, general mixed use, with a master zoning plan in place. The golf course is zoned R-F: Ranch & Farm District (yellow green).

The property within the south tract of the TIRZ is currently zoned as SCZ T3: Smartcode Transect Zone (blue), R-F: Ranch & Farm District (yellow green), C-2: Commercial District (pink), and C-3: Commercial District (red), and A-2: Apartment District (orange).

As new development occurs, the current zoning may change to accommodate the development. It is not anticipated that there will be any changes to the master plan, building codes or other municipal ordinances or subdivision rules and regulations of the City at this time.

Current Conditions

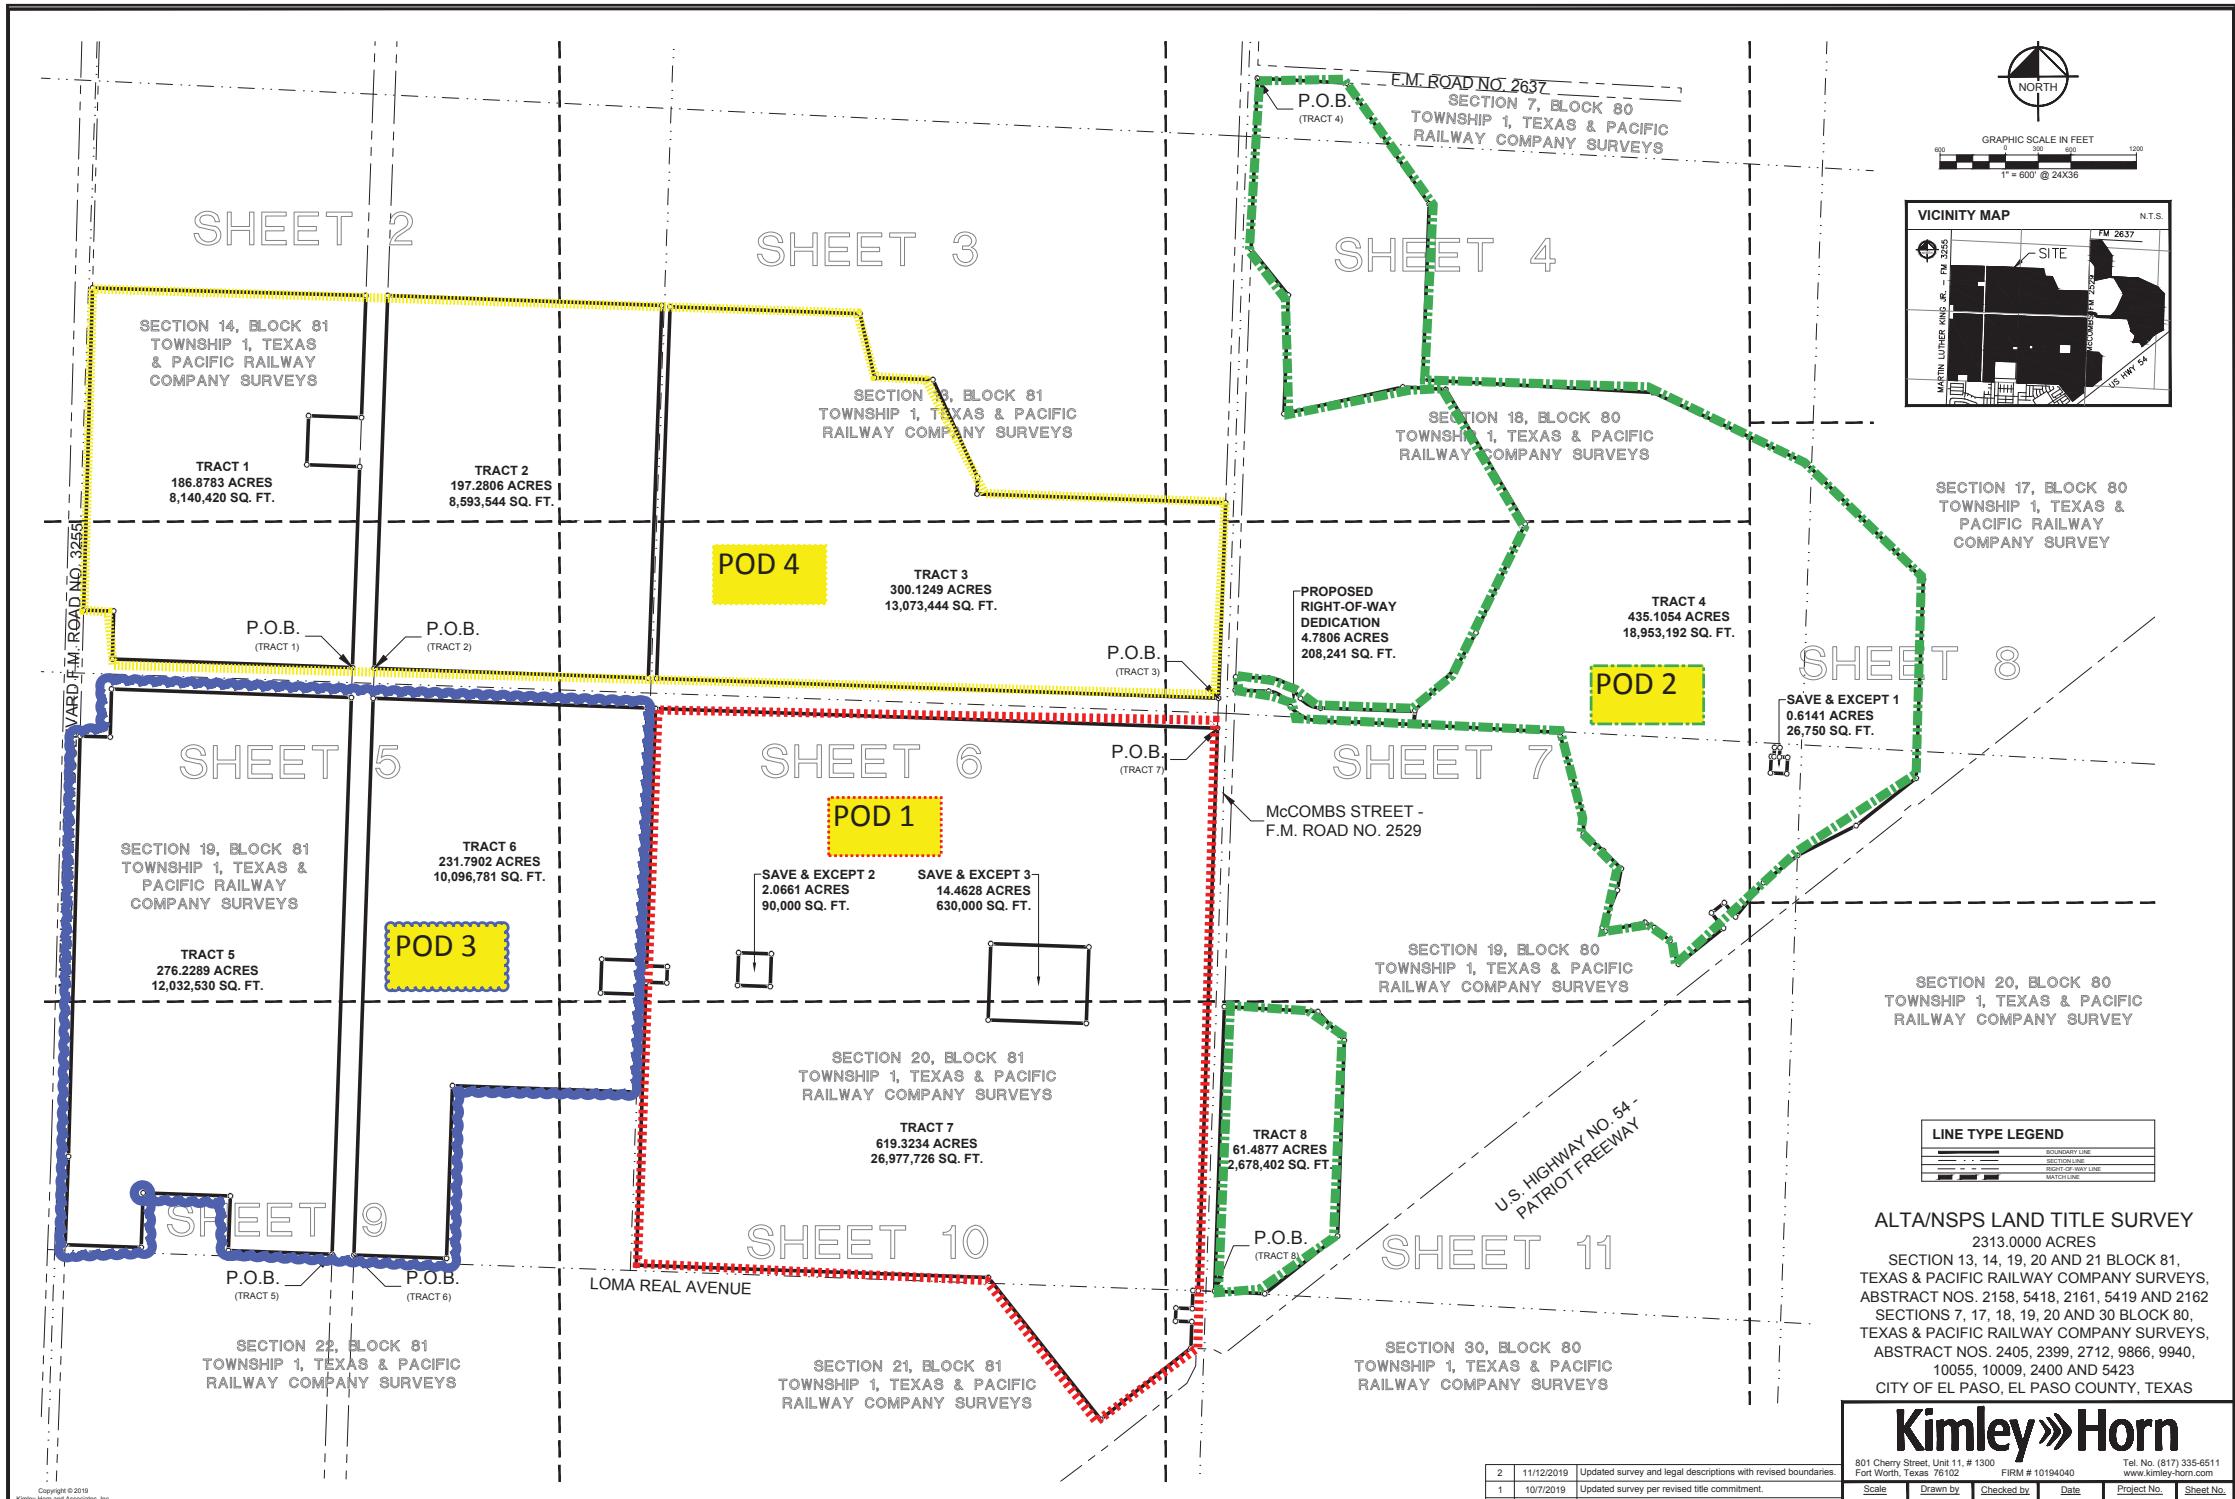

Current Ownership Information

At the time of the amendment, there are 115 parcels within Tax Increment Reinvestment Zone #13, with various owners. Some parcels are only partially within the TIRZ boundaries.

For further details of the parcels included within the TIRZ see Appendix A.

The 2018 base taxable value is \$22,181,037, which represents the taxable value of all properties within the boundaries that do not fall with a Transportation Reinvestment Zone (TRZ). The dedication of revenue to the TRZ takes priority over the TIRZ. The TRZ boundaries are shaded in blue to the right.

Proposed Development

The proposed TIRZ #13 development is expected to facilitate the construction of a large scale mixed-use development, with four areas called out as PODs in the map to the right. The development is expected to include both residential and commercial development at varying levels of density.

Project Costs

Project Costs of the Zone

There are a number of improvements within Tax Increment Reinvestment Zone #13 that will be financed by in part by incremental real property tax generated within the TIRZ.

TIRZ #13

Proposed Project Costs		
Water Facilities and Improvements	\$ 70,701,064	15.0%
Sanitary Sewer Facilities and Improvements	\$ 70,701,064	15.0%
Storm Water Facilities and Improvements	\$ 70,701,064	15.0%
Street and Intersection Improvements*	\$ 141,402,128	30.0%
<i>*Including but not limited to the Sean Haggerty Extension - Estimated at \$39M including interest</i>		
Open Space, Park and Recreation Facilities and Improvements	\$ 94,268,085	20.0%
Economic Development Grants	\$ 21,210,319	4.5%
Administrative Costs	\$ 2,356,702	0.5%
	\$ 471,340,426	100.0%

It is anticipated that funds used for open space improvements may include wayfinding within the TIRZ to better connect future development and improve public access to existing and new trailheads. Additionally, it is anticipated that funding may be used to develop and maintain new trails and trailheads for both active and passive recreational uses throughout TIRZ and particularly throughout the northern tract.

The costs illustrated in the table above are estimates and may be revised. Savings from one line item may be applied to a cost increase in another line item.

Additionally, it is the City's desire to have the land developed facilitated through a direct sale agreement between the City and the private entity.

Chapter 311 of the Texas Tax Code

Sec. 311.002.

(1) "Project costs" means the expenditures made or estimated to be made and monetary obligations incurred or estimated to be incurred by the municipality or county designating a reinvestment zone that are listed in the project plan as costs of public works, public improvements, programs, or other projects benefiting the zone, plus other costs incidental to those expenditures and obligations. "Project costs" include:

(A) capital costs, including the actual costs of the acquisition and construction of public works, public improvements, new buildings, structures, and fixtures; the actual costs of the acquisition, demolition, alteration, remodeling, repair, or reconstruction of existing buildings, structures, and fixtures; the actual costs of the remediation of conditions that contaminate public or private land or buildings; the actual costs of the preservation of the facade of a public or private building; the actual costs of the demolition of public or private buildings; and the actual costs of the acquisition of land and equipment and the clearing and grading of land;

(B) financing costs, including all interest paid to holders of evidences of indebtedness or other obligations issued to pay for project costs and any premium paid over the principal amount of the obligations because of the redemption of the obligations before maturity;

(C) real property assembly costs;

(D) professional service costs, including those incurred for architectural, planning, engineering, and legal advice and services;

(E) imputed administrative costs, including reasonable charges for the time spent by employees of the municipality or county in connection with the implementation of a project plan;

(F) relocation costs;

(G) organizational costs, including the costs of conducting environmental impact studies or other studies, the cost of publicizing the creation of the zone, and the cost of implementing the project plan for the zone;

(H) interest before and during construction and for one year after completion of construction, whether or not capitalized;

(I) the cost of operating the reinvestment zone and project facilities;

(J) the amount of any contributions made by the municipality or county from general revenue for the implementation of the project plan;

(K) the costs of school buildings, other educational buildings, other educational facilities, or other buildings owned by or on behalf of a school district, community college district, or other political subdivision of this state; and

(L) payments made at the discretion of the governing body of the municipality or county that the governing body finds necessary or convenient to the creation of the zone or to the implementation of the project plans for the zone.

Anticipated Development

Anticipated Development

The proposed TIRZ #13 development is a large scale development that will be constructed over several years and financed in part by incremental real property tax generated within the TIRZ.

The table provides an overview of the potential development that we believe will occur during the life of the TIRZ along with estimated dates of when the incremental revenue will flow into the TIRZ fund.

Method of Financing

To fund the public improvements outlined on the previous pages, it is anticipated that the City El Paso will contribute 75% of its real property increment.

Debt Service

It is not anticipated at this time that the TIRZ will incur any bonded indebtedness.

Economic Feasibility Study

A taxable value analysis was developed as part of the project and financing plan to determine the economic feasibility of the project. The study examined the expected tax revenue the TIRZ would receive based on the previously outlined developments. A summary overview of the anticipated development square footages, the anticipated sales per square foot and the anticipated taxable value per square foot can be found on the table below.

The following pages show the estimated captured appraised value of the zone during each year of its existence and the net benefits of the zone to each of the local taxing jurisdictions as well as the method of financing and debt service.

Utilizing the information outlined in this feasibility study, we have found that the TIRZ is economically feasible and will provide the City and other taxing jurisdictions with economic benefits that would not occur without its implementation.
